Dear Joshua:

Many thanks for your letter. We have now sent in a grant application of adequate size, in order to enable us to invite Zinder. We have good hopes that it will go through. I have informed Zinder about the details. I think it would be wonderful if it could materialize.

Thank you for the promise of a picture. Liljestrang will be very happy. Thank you also for the cheque; as a matter of fact, I have not yet received the bill for the postcards. Swedish firms are rather slow even in this respect. I am sure that your cheque will cover the expenses and if there is anything over, we shall hold it for your next visit.

Wishing you a smooth moving and a pleasant settling,

yours as ever,

George Klein
